

**Glenwood**  
will be offering a 4 day  
5th grade Boys. Our  
with the skills needed to  
society. It focuses on

## **Superheroes**

leadership program for our  
mission is to empower boys  
face challenges in today's  
teaching boys to first lead

themselves, and then to lead others.

Topics such as sportsmanship, self-discipline, and respect will be explored.

Being proactive and finding value from within will develop as the lessons build upon one another. Through games and competition, an attitude of inner strength and the ability to handle the nature of competition will be addressed.
