### ★ 2024 SUMMER READING CLUB ★

A good book can take you to magical places, teach you new things or spark your imagination. Whether you read to learn or for enjoyment I invite you to join my Summer Reading Club.

Rep. Mike Coffey's Summer Reading Club challenges elementary students who are currently in K-6th grade to read 8 books during their summer break. Books of 150 pages or more count as two books and can be listed twice.

Students who successfully finish the reading and return the form by the August 1st deadline will be invited to a special mid-August pizza party. At the party students will receive an official certificate from the Illinois House of Representatives recognizing their commitment to reading.
