## HEALTHCARE PROVIDER ORDER FORM FOR NON-PRESCRIPTION MEDICATIONS

Health services are provided to all students in the Ball-Chatham School District by registered nurses or LPNs under the supervision of the RN. The administration of medication during the school day is provided to enable the student to remain in school to maintain, improve health status, and to improve potential for education. All medications will be given on an as needed basis.

**PLEASE CHECK THE BOXES OF APPROVED OVER THE COUNTER MEDICATIONS TO BE ADMINISTERED DURING THE SCHOOL YEAR.**

Medication doses are administered appropriately for weight, age, and symptoms. Parents will sign a consent form for any OTC given at school. All scheduled OTC medications will require a separate prescription order.

For the relief of headache, minor aches, discomfort, sore throat, generalized pain or fever that is greater than 100.5,

- Acetaminophen (Tylenol) or generic equivalent by mouth
- Ibuprofen (Advil) or generic equivalent by mouth
